The Fleet Safety Council Toronto Chapter
Annual December Breakfast Meeting

The FSC Toronto Chapter is excited to host their annual December breakfast meeting once again.

State of the Industry: Fleet Outlook and Workforce Trends: Join James Menzies and Krystyna Shchedrina of Today's Trucking and TruckNews.com as they present findings from recent trucking industry surveys examining the future of fleet operations and workforce development. Attendees will gain valuable insights into fleet outlooks for 2027, equipment purchasing trends, economic pressures facing carriers, and the challenges of attracting and retaining drivers in today's transportation environment.

Roadside Safety in Action: Towing, Tow Zones, and Move Over Compliance: Join Max Worth, General Manager of Abrams Towing, as he provides an overview of key developments impacting Ontario's towing industry. Max will cover Towing 101, recent updates to Highway Restricted Tow Zones, and important changes surrounding Slow Down, Move Over requirements, offering valuable insight for fleet and safety professionals.
