

Press Release

Fleet Safety Council Announces Agenda and Opens Registration to 29th Annual (Virtual) Conference

(ETOBICOKE): The Fleet Safety Council (FSC) Conference Committee is happy to announce the agenda for the 29th Annual Educational Conference. The FSC had recently announced that the in-person conference, scheduled for October 2, 2020, would be conducted in an online format using GoTo Webinar.

The virtual conference will run from 8 am until 12:30 pm with scheduled breaks between sessions. The GoTo Webinar program needed to participate in the conference can be downloaded at **no cost to attendees**.

The conference planning committee has been working to finalize the agenda and is now pleased to confirm that the following four speakers will provide presentations:

Geoff Wood, Senior Vice President, Policy at Ontario Trucking Association & Canadian Trucking Alliance	OTA Update
Todd MacGillivray, Vice-President, Transportation and Logistics at Northbridge Insurance	Insurance Industry Update
Rui Fernandes, Partner at Fernandes Hearn LLP	Legal Update
Lou Smyrlis, Managing Director, Newcom Media's Trucking and Supply Chain Group	Industry Update

A short Q&A will follow each session where delegates will have the opportunity to submit questions live. For a complete breakdown of the sessions and timing, please download the full agenda at www.fleetsafetycouncil.com

Online registration for the conference has officially opened. Click on the link below to register for the no-cost event:

The FSC Annual Conference Committee will continue to provide updates as planning continues.

Sincerely,
The Fleet Safety Council Annual Conference Committee 2020

About the Fleet Safety Council

The Fleet Safety Council is an association of driver trainers and safety professionals working to promote safety within the transportation, transport, bus, and coach industries. The council encourages the improvement of driver behavior through increased awareness and training.

Working with government agencies and private organizations, the council strives for a uniform system of safety requirements for drivers in Ontario.
