

## Fleet Safety Council December Provincial Virtual Meeting

The Fleet Safety Council is pleased to announce another **Virtual Provincial Meeting** for all members. This meeting is an opportunity for FSC members to participate and stay connected through these changing times.

**Meeting Date:** Thursday December 10<sup>th</sup>, 2020: 10:00 am – 12:00 pm

**Presentation 1:** Bill C-65 and the new Work Place Harassment and Violence Prevention Regulations

**Elizabeth Tavares**

Occupational Health and Safety Officer  
ESDC Labour Program

**Tara Withers**

Occupational Health and Safety Officer  
ESDC Labour Program

**Presentation 2:** Ontario Road Safety Annual Report – 2017

**Michael McGrath**

Senior Safety Research Advisor,  
Ministry of Transportation

**Chapter Updates:** Representatives from the different chapters will be provided an opportunity to share updates with the members.

**Holiday Sweaters:** Let's make the most of the virtual meeting. All members are encouraged to wear a holiday sweater to the Provincial Meeting. We will capture screen shots of the group to share on social media so find your favorite holiday sweater!

**Registration:** Please accept the meeting invitation sent by your chapter to add the meeting details to your calendar. If you have any questions please feel free to contact Charlie Charalambous at [ccharalambous@ihsa.ca](mailto:ccharalambous@ihsa.ca) and a direct invitation will be sent.

**System Requirements:** The meeting will be facilitated using GoTo Meeting (the same system used for Chapter Meetings) so that participants can see each other and ask questions of our presenters. GoTo Meeting is compatible with both Windows and MAC operating systems but it is recommended you log in a few minutes early to ensure you are ready for the start of your selected meeting.

**Fleet Safety Council Mission Statement:** To promote health and safety within the transportation sector through network support and sharing of information resources, allowing us to be a strong voice for industry.
