

Press Release

Fleet Safety Council announces agenda and opens registration to 30th Annual (virtual) Conference

(ETOBICOKE): The Fleet Safety Council (FSC) Conference Committee is happy to announce the agenda for the **30th Annual Educational Conference** scheduled for October 1, 2021.

While it was hoped that the 2021 Fleet Safety Educational Conference could once again take place in person, the planning committee has decided, for sake of health and safety, the conference will continue to be presented in an online webinar format for 2021. The 2020 conference was held in a virtual format and saw a record-breaking crowd of more than 200 attendees.

The 30th Annual FSC Educational Conference includes the following sessions (click on the speaker name to read their full bio on the FSC website):

Session Descriptions

Session 1: Preparation and Planning featuring [Mario Da Silva](#)

Session Description: Join Mario Da Silva, the Corporate Risk, Safety & Security Manager at [Manitoulin Transport](#) as he discusses cyber security and the critical importance of business continuity.

Session 2: 60-Minute Panel moderated by [Michael Derry](#)

Panel Description: Michael Derry (Senior Loss Prevention Consultant, Fleet with [Intact Insurance](#)) will lead an expert panel discussion as we delve into how the pandemic has affected the industry and the outlook for 2022. This expert panel will include representation from:

- [Geoff Wood](#) (Senior VP Policy, [OTA/CTA](#)),
- [Kelly Henderson](#), (Executive Director, [Trucking Human Resources Sector Council Atlantic](#)),
- [Michelle Roberts](#) (Director, Stakeholder & Client Engagement, [The Infrastructure Health and Safety Association](#)),
- [Mike Millian](#), (President, [Private Motor Truck Council of Canada](#)) and

Session 3: Preparing for Economic Recovery: Engaging and Preparing Your Workforce for a Post-Pandemic Workplace featuring [Angela Splinter](#) and [Craig Faucette](#)

Session Description: Angela Splinter (CEO) and Craig Faucette

Press Release

(Director, Policy and Programs) from [Trucking Human Resources Canada](#) will lead this engaging presentation on how the COVID-19 pandemic has had a profound impact on the way that we work, as well as the impacts on our work, family obligations, and our mental health. This session will discuss some of the best practices and considerations that will aid managers and employers as we prepare for the post pandemic workplace.

Session 4 (Keynote session): Everyday Resilience featuring keynote speaker [Dr. Robyne Hanley-Dafoe](#)
Session Description: This year's keynote speaker Dr. Robyne Hanley-Dafoe is an author, multi-award-winning psychology and education instructor who specializes in resiliency, navigating stress and change, and personal wellness in the workplace. In this presentation, Dr. Hanley-Dafoe will provide practical strategies, grounded in global research and case studies that help foster resiliency within ourselves and others.

About the Fleet Safety Council

The Fleet Safety Council is an association of driver trainers and safety professionals working to promote safety within the transportation, transport, bus, and coach industries. The council encourages the improvement of driver behavior through increased awareness and training.

Working with government agencies and private organizations, the council strives for a uniform system of safety requirements for drivers in Ontario.
