

Press Release

Fleet Safety Council Educational Conference 2023 date announced

(ETOBICOKE) —*The Fleet Safety Council (FSC) Conference Committee would like to share the following update:*

The 2023 Fleet Safety Educational Conference will take place in person on Friday October 27.

While the conference is still months away, the conference committee has already been working hard to create an informative and exciting agenda for this year's event.

Though the agenda has not been finalized, committee members are looking at a variety of options based on the valuable input collected from participants of last year's event.

Once again the committee has been able to secure the Millennium Gardens Banquet Centre – FSC Conference Trade Show Room (20 Polonia Avenue, Unit #100, Brampton, ON L6Y 0K9. There will, as always, be opportunities for networking at the bowling event and evening ceremony on Oct. 26.

Please stay tuned for the complete agenda, to be released in the coming months. If you are interested in sponsorship opportunities for the 2023 Fleet Safety Council Educational Conference, please contact us.

Press Release

About the Fleet Safety Council

The Fleet Safety Council is an association of driver trainers and safety professionals working to promote safety within the transportation, transport, bus, and coach industries. The council encourages the improvement of driver behavior through increased awareness and training.

Working with government agencies and private organizations, the council strives for a uniform system of safety requirements for drivers in Ontario. Visit www.fleetsafetycouncil.com for more information.
