

COLLISIONS HAPPEN

Are you prepared?

**The Fleet Safety Council – Central Chapter is putting on
3 Collision Response sessions and you're invited!**

Bring your friends!

These immersive sessions will comprise of short presentations from various stakeholders in the collision response life-cycle, along with roleplay from volunteers to highlight the critical aspects of these types of critical events.

This is a unique, interactive and new exploration of critical collision management you won't want to miss!

We encourage everyone who participates in the Fleet Environment (Operations, Management, Maintenance, etc.) to attend.

Session 1: Tuesday, April 11th, 9AM – 12:00 PM

The Point of IMPACT – Hear from enforcement on crash scene investigation; Burness Paralegal talks about statements and evidence; insurance Industry representatives on reporting,; dealing with the press; environmental implications of a TDG spill and much more.

Session 2: Tuesday, May 9th, 9AM – 12:00 PM

The Day after the IMPACT – Next steps in reporting, evidence management, legal strategies, and considerations with subject matter experts including transportation lawyers, insurance Industry representatives , WSIB, ESDC, MOL, and more.

Session 3: Tuesday, June 13th, 9AM – 12:00 PM

What it Looks like going Forward – Panel discussions from our SME's look at the fall-out, best practices, and answer questions.
