

Press Release

Fleet Safety Council Educational Conference Agenda released and registration goes live

(ETOBICOKE) —The Fleet Safety Council (FSC) Conference Committee would like to share the following update:

The 2023 Fleet Safety Educational Conference agenda has been finalised and registration is now open for the October 27 event. [Registration will once again be available through Eventbrite.](#)

The committee has worked hard to provide an agenda that reflects the needs of the transportation industry in Ontario. This annual event is an opportunity to gain knowledge to improve your risk management programs and meet with industry peers to learn about products and services available from our [many sponsors.](#) As always, the event will include some networking opportunities on October 26. Please review the [agenda](#) for more details.

About the Fleet Safety Council

The Fleet Safety Council is an association of driver trainers and safety professionals working to promote safety within the transportation, transport, bus, and coach industries. The council encourages the improvement of driver behavior through increased awareness and training.

Working with government agencies and private organizations, the council strives for a uniform system of safety requirements for drivers in Ontario. Visit www.fleetsafetycouncil.com for more information.
