

Press Release

Fleet Safety Council Educational Conference booth space sells out!

(ETOBICOKE) —*The Fleet Safety Council (FSC) Conference Committee would like to share the following update:*

Due to overwhelming demand, booth/exhibitor space for the annual conference is now officially sold out. As registration continues for the conference, both new and returning sponsors were quick to support the annual event this year. While some sponsorship opportunities remain, the exhibitor room and industry hallway are now at capacity.

For the complete list of sponsors please visit the [FSC website](#).

Rick Brown, FSC Conference Sponsor Chairperson, says, *“The response from the industry this year has been incredible. With returning and new sponsors we sold out of exhibitor room faster than we ever have before. Thank you to all of our industry partners and friends for their ongoing support of the FSC Annual Conference.”*

This year’s event will once again be taking place at Millennium Gardens Banquet Centre at [20 Polonia Ave #100, Brampton, ON L6Y 0K9](#).

With one-third of registrations already sold, the committee urges anyone interested in attending to guarantee a spot now and take advantage of the early bird rate of \$250 per delegate. For more information on registration please visit [Eventbrite](#).

Download the [agenda](#) to see the complete list of speakers.

About the Fleet Safety Council

The Fleet Safety Council is an association of driver trainers and safety professionals working to promote safety within the transportation, transport, bus, and coach industries. The council encourages the improvement of driver behavior through increased awareness and training.

Working with government agencies and private organizations, the council strives for a uniform system of safety requirements for drivers in Ontario. Visit www.fleetsafetycouncil.com for more information.
